## FAQs

### Q: Why should I finance my project when I can pay cash or use a credit card?

Financing a project with a GreenSky® loan allows you to conserve both your money and your equity, and typically offers a lower interest rate than a credit card. GreenSky has many promotional offerings with deferred interest benefits, but without your having to pay out of pocket all at once.<sup>1</sup>

### Q: What type of credit is available?

GreenSky loans are unsecured loans with fixed interest rates. Unlike a revolving credit card, your non-promotional monthly payment amount is always the same.

### Q: Where can I use my loan?

Use your GreenSky Account Number to pay for services and products offered by the contractor with whom you apply.

### Q: How do I make a payment?

It's simple - pay online or by phone, or schedule automatic payments to be drafted from your bank account. The choice is yours. And there is never a penalty for paying off your loan early. Apply today at [www.greensky.com/consumer](http://www.greensky.com/consumer) or call 866-936-0602.

### Q: How do I pay my contractor?

Once approved, you will be provided a loan agreement and issued a 16-digit account number and expiration date. When you want to pay, just provide these numbers to your contractor to process the purchase as if it were a credit card.

### Q: How long do I have to use my loan?

Once approved, you have four months to make your purchases.

### Q: When is my first payment due?

Depends on your plan. Many deferred interest plans don't require a payment during the promotional period. The first payment on a budget-minded plan is typically due approximately 30 days after the first purchase.

### Q: When does the Deferred Interest plan promotion window begin?

At the time of your first transaction.<sup>2</sup>
